

How to enter your Request for Hired Judges

This step must be done before Registration closes (usually Wednesday evening) for any category in which you are short on Judges. If you are able to find a Judge after that date, notify the Tournament Director by email and the Hire fees and reservation will be removed from your invoice.

Judging policies:

Please be very clear about any Judge restrictions, conflicts or other information TAB should know!

Here's where you do the math. The Obligation is 2; Registered is 1, therefore a request for 1 hired Judge must be entered. Enter the magic number and click the Request Hires button to continue.

After the Tournament Director acts on your request, you will receive an email message like this:

The Edward Little HS - Winter Solstice Tournament would like to notify you of changes made by the tournament to your requests to hire judging to cover entries in Individual Speech Events.

The following changes have been made by the tournament directors:
The number of accepted judge hire requests has been increased to 1.

You do not have to take further action; the changes are now fully entered and your online invoice changed to reflect them

Cheers,
Kris Deveau
